Gracious God, we praise and honor You for all that You are, all that You have done for us, all that You are doing through Word and Sacraments, and all that You promise. In these days of summer, we pray that Your Spirit would fill us more and more with wisdom from on high, that Your Word would not return void, that Your Name would be kept holy in our congregations, that Your Kingdom would come more and more in communities, and that Your will would be done here on earth as it is done in heaven. In Jesus' Name. Amen
