Gracious God, we praise and honor you for raising your Son up on the Day of Resurrection, for appearing alive and in the flesh to so many, for ascending on the 40th day, and for pouring out your Holy Spirit on the 50th day. Forgive us the many ways we fall short in living in your resurrection peace and joy. In this season of Easter, may our congregations be alive with your resurrection power, may your Word go forth in a mighty way, and may your Gospel go forth to the corners of this earth. *In* Jesus' Name. Amen.
